

STUCKDISCOUNT wurde vor zehn Jahren in Berlin gegründet und wird seit nunmehr drei Jahren von dem Ingenieur, Bauzeichner und Stuckateur Ali Kanber Aygün als mittelständisches Familienunternehmen innungsgeprüft betrieben.

Bereits viele zufriedene Kunden haben die kompetente und qualitativ hochwertige Arbeit des Betriebes schätzen gelernt.

Besonders die Möglichkeit, ganz individuelle Wünsche und Sonderanfertigungen zu realisieren, war für zahlreiche Kunden der Grund, STUCKDISCOUNT zu beauftragen.

Aber auch, weil hier auf gute Beratung größtes Augenmerk gelegt wird, damit ein optimales Kosten-Nutzen Ergebnis für die Kunden erreicht werden kann.

Stolz ist Ali Kanber Aygün auch darauf, dass neben Stuckelementen er internationaler Fabrikation in den Jahren immer mehr Abgüsse aus der eigenen Neuköllner Werkstatt in höchster Qualität zum Einsatz kommen. Auch Fassadenprofile gehören zum Portfolio des Betriebes. Nicht selten bewährt sich hier die intensive Zusammenarbeit mit dem Denkmalschutz.

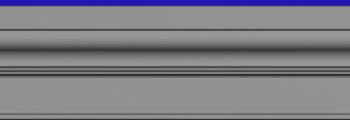

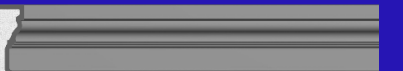

STUCKDISCOUNT hat neben dem Verkauf von Stuckelementen (sowohl an gewerbliche wie auch private Kunden), deren Montage in größter Sorgfalt in Wohnungen und Häusern schon oft gelobte Erfahrung in der Restauration unvollständiger Stuckelemente, die kopiert und in Handarbeit liebevoll reproduziert werden.
